
Syntax Semantics Volume Cross Linguistic Perspective

an introduction to biblical hebrew syntax - areopage - data serves, at least in part, to expose the pre-understandings of english readers. indeed, in the light of an "exotic" language like hebrew, english turns out to be an **contrastive analysis, error analysis, interlanguage 1** - reinforcement) or wrong (negative reinforcement). they should be encouraged to repeat correct forms, and, by careful selection and grading of material, possible mistakes should be minimised by the course
